

Alex Harvey Estate Agents work closely with other local business in order to provide our clients access to additional services in order to assist clients in moving home, none of these are obligatory and are taken without guarantee of service levels or outcome. It is important to us that we are always transparent with our customers, should you decide to use one of our formal service providers the fee which we receive is not an addition to your bill. The terms and conditions of the relevant provider will state exactly what and when we are paid.

We have a written business agreement with The Horsham Mortgage Centre and receive a 30% referral fee for any mortgage related business.

We also have a referral arrangement with Nuven Surveyors, this is not formal business agreement, however as such our staff may receive gift vouchers from said business as a token reward for passing the referral over. This sum is usually £30.
